

Stainless Steel Rulers

Part Number	Description
MS1015	150mm Metric Stainless Steel Ruler
MS1030	300mm Metric Stainless Steel Ruler
MS1030AE	12"/300mm Met/Imp Stainless Steel Ruler
MS1100	40"/1000mm Met/Imp Stainless Steel Ruler

Carpenters Square

Part Number	Description
OS2060	600mm / 30" Met/Imp Black Carpenter Square

Measuring Tapes

Top Quality with ECC standard & reinforced tip

Part Number	Description
A8025M	8mtr Metric Measuring Tape
A8025MI	8mtr/27ft Metric/Imperial Measuring Tape
A1025M	10mtr Metric Measuring Tape
A1025MI	10mtr/30ft Metric/Imperial Measuring Tape

Locking Pliers

H307/11SP

H313

H304

Part Number	Description
H304	10" Locking Plier
H307/11SP	11" Locking "C" Clamp with Swivel Pads
H307/18SP	18" Locking "C" Clamp with Swivel Pads
H313	9" Locking Welding Clamp

Ratcheting Hex Key Wrench

A complete set of standard hex wrenches in one compact tool.

The ratcheting hex key wrench makes tightening or loosening socket head screws easy.

Part Number	Description
RHM001	Hex Key Wrench Metric 1.5 - 6mm
RHS001	Hex Key Wrench Imperial 5/64" - 1/4"

Lutron Digital Tachometer

Features

- Multi function, Photo Tachometer (RPM) & Contact Tachometer (RPM, m/min, ft/min)
- Wide measuring range, from 0.5 to 100,000rpm
- The last value/max, value/min, value will be automatically stored in memory and can be obtained by the push of a button.
- High visibility 5 digit display
- Durable, Long lasting components including strong, lightweight ABS-plastic housing, assures maintenance free performance

Specifications

- Photo Tachometer Range - 5 to 99,999RPM (0.1RPM increments up to 999.9RPM, 1RPM increments over 1000RPM)
- Contact Tachometer Range - 0.5 to 19,999RPM (0.1RPM increments up to 999.9RPM, 1RPM increments over 1000RPM)
- Surface Speed Range - 0.05 to 1999.9 m/min (0.01m/min increments up to 99.99m/min, 0.1m/min increments over 100m/min)
- Surface Speed Range - 0.2 to 6560 ft/min (0.1ft/min increments up to 999.9ft/min, 1ft/min increments over 1000ft/min)
- Size - 215 x 65 x 38mm, 300grams including battery
- Package includes Tachometer, Carry Case, Reflective Tape(600mm), Cone RPM adaptor, Funel RPM adaptor, Surface Speed Test Wheel, User Manual

Part Number	Description
DT2236	Lutron Digital Tachometer
DT2236TAPE	Replacement Reflective Tape to suit DT2236

Lutron Digital Sound Level Meter

Features

- Time weighting (fast & slow) dynamic characteristic modes
- Maximum Hold Function - Stores the maximum value read
- Durable, Long lasting components including strong, lightweight ABS-plastic housing, assures maintenance free performance

Specifications

- 35 - 130dB range, 0.1dB increments
- Comes complete with Carry Case and User Manual

Part Number	Description
SL4001	35 - 130 Decibel Digital Sound Level Meter

Smart Tool Digital Levels

SLANFIND

SLST1200

Part Number	Description
SLST600	600mm Smarttool Digital Level
SLST1200	1200mm Smarttool Digital Level
SLANFIND	Angle Finder (Module)

Baleno Bubble Level Quality German Made Vials

Part Number	Description
BMKL6024G2	600mm/24" Magnetic Base
BMKL1248G2	1200mm/48" Magnetic Base
BAS003	Angle Setter Attaches to Baleno Level Rail
